12-19 April 2025

Breathtaking skiing not to be missed!

5 days in Val di Fiemme from £989

Encircled by the picturesque Lagorai, Pale di San Martino and Latemar Dolomites the valley boasts one of the most snow sure ski areas in Europe. One ski pass covering a variety of ski areas offering some of the best skiing in the Italian Dolomites. The majority of the slopes are over 1700m and this, combined with excellent snow making facilities and piste preparation, ensures great skiing throughout the season from December to mid-April.

A truly inspiring place to ski and, combined with the warm welcome from the locals, you will be hard pressed to find a better ski experience anywhere in Europe.

A school ski trip to the Val di Fiemme offers students a unique blend of physical activity, cultural exposure, and personal development. The breathtaking scenery fosters an appreciation for nature and geography, while immersion in Italian culture enhances their understanding of language and customs creating a memorable, learning experience that combines outdoor adventure with cultural enrichment.
